

## **Government College, Matanhail**

### **Vision of the Institute:-**

Education is the key to social transformation. The vision of Government College, Matanhail resonates with the belief in parity and overall growth of its students. The Vision of college includes:-

- To integrates knowledge with human values by providing holistic and transformative education
- To inculcate the spirit of scientific and rational enquiry while remaining anchored to our Indian knowledge traditions.
- Capacity building across the socio-economic strata with special emphasis on women and as well as marginalized sections.
- To be a beacon of knowledge, culture, skills, technology, research and service to humanity
- To inculcate moral values in students with an aim to ensure nation and character building.

### **Mission of the Institute:-**

The objective of the college is to facilitate learning across the socio-economic spectrum resonating both with modern and tradition facets of education and the National Education Policy, 2020 which together define the broad contours of our academic architecture.

**Our Mission** is to act as an agency of social transformation by spreading education to all and special efforts towards marginalized segments of society.

To this end, we are committed to:

- Nurturing creative and resourceful minds that value integrity, diversity and are dedicated to the task of nation-building.
- Modernize all processes at different levels of the education ecosystem and ensure access to cutting edge state-of-the-art infrastructure, information and technology
- Create awareness about the sustainable use and conservation of natural resources and environment work towards bridging the digital divide to build capacity for resource sharing and developing more effective and efficient mechanisms for curriculum delivery
- Evolve and improve the teaching learning pedagogy to optimise academic achievement, ensuring our, autonomy, accountability, experimentation, innovation, and excellence in all academic pursuits of faculty and students
- Nurture students who are morally upright, socially conscious, emotionally resilient, physically fit and culturally connected
- Stimulate scientific temper by crusading against superstitions and outdated customs to raise awareness about gender discrimination, regionalism, casteism, etc.
- Emphasize the importance of developing life skills such as communication, team work, and resilience with the objective of all round development of our students and preparing them to face life challenges.
- Remain committed to up skilling our students so as to bridge the gap between academics and industry thereby enhancing employability.
