FEEDBACK ANALYSIS AND ACTION TAKEN REPORT

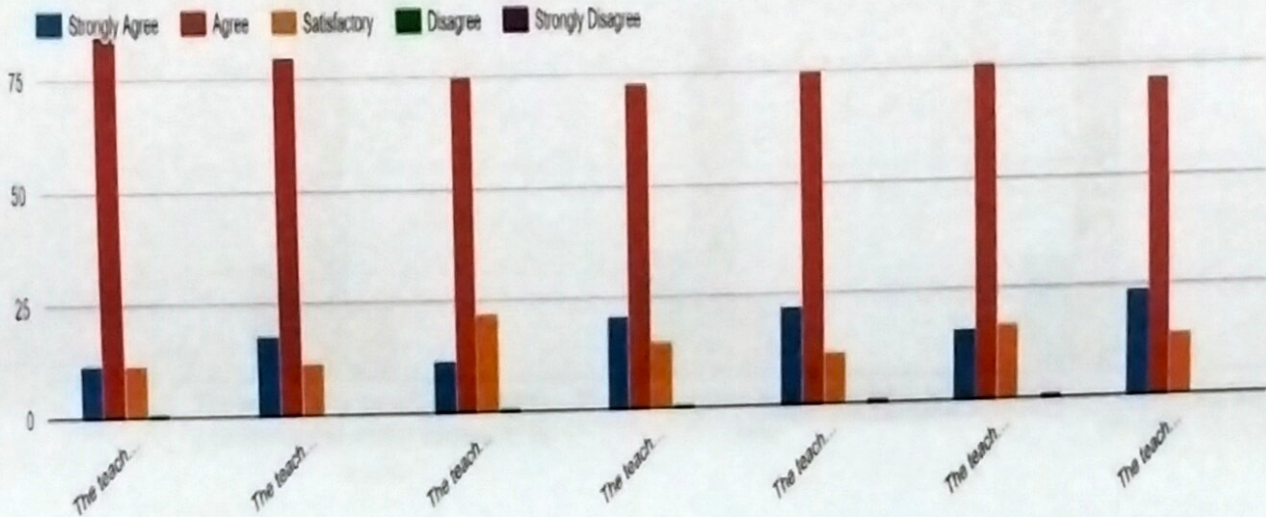

Analysis and Action Taken Report of Students:

Around 88% students agree that the teachers provide guidance/counseling in academic and non-academic matter in/ outside the class and around 89% agree that the teacher encourage participation and discussion in classes (Teacher-Student, Student-Student). In addition, students agree that the teachers use modern teaching aids, handouts, and suggestion reference and teachers pay attention to academically weaker students as well. The teachers are regular and punctual in classes and the teachers invite opinion and questions on the subject matter from students. In addition 22.8% felt that there is a need for more books in the library, 24.5% urged the internet facility of the campus and around 30% suggested having more lectures by experts. Steps that were taken in this direction such as:

- (1) Students were given extra reference books and e-content to grasp the subjects in a comprehensive manner.
- (2) Special guest lectures and audio visual aids like power presentation were shown to the students to enhance their interest in various subjects so that students could easily decide the subjects they would want to opt for all at the post graduate level.
- (3) Interactive sessions were held for different courses and themes for personality development by experts.
- (4) Students were given access to internet facility on college campus.

Feedback from Students on:-
